

## A Sticky Situation: Being an Upstander

**The sticky situation:** You overhear the 5th grade bully making fun of a kindergartner at recess. He pushes him over and calls him a name. The kindergartner starts crying, and the bully runs away. What will you do?

**For the adult:** Discuss this with your child or teen and write a few sentences about how one should effectively resolve this sticky situation.

---

---

---

---

---

**For the child:** Draw and write a short comic using the ideas from the discussion and words above to resolve the sticky situation.
