

## ACUTE CARE BLOCK – Internal Medicine Summary of Expectations

**Welcome to Acute Care Block Medicine rotation** at Gundersen Health System. We are excited to have you in La Crosse! We have planned a very fast paced, hands-on, and fun learning experience for you in these 6 weeks. This information is provided to give you direction and clarity regarding your ACB Medicine rotation. Any general questions about your clerkship may be addressed to **Allyson Servais (x 50959)** or Pam Schneider at ex. 52057. Any other questions may be addressed to your attending staff, resident or IM preceptor **Dr. Kyla Lee (pager 0330)** and **Dr. John Conzemius**.

### Hospital Responsibilities

#### A. Patients

1. **Confidentiality** is of utmost importance.
2. Follow a maximum of 2-5 patients at a time.
3. Complete H&P's on all new patients assigned to you.  
(Mentor will grade 2 formal write-ups; Attending will review those in EPIC.)
4. Arrive **before** morning rounds to see and **examine** your patients.  
Review the events of the previous night. **YOU MUST PRE-ROUND**
5. Present brief update for known patients or encapsulated H&P for new patients on rounds with attending staff.
6. **Write daily progress note** on your patients **before** morning rounds.
7. Enter admitting and daily orders with resident.

#### B. Teams

1. Teams consist of an attending staff, senior resident, three interns, and 1-2 medical students.
2. **You are a valuable part of this team.**
3. You are expected to take call along with your team daily – 6 days a week (one day a weekend off).
