

Gundersen Specialty Pharmacy patient rights and responsibilities

You have certain rights and responsibilities when you participate in this patient management program. As a patient or as a parent or guardian of a minor patient —

You have the right to:

- Know how the Gundersen Specialty Pharmacy program works.
- Have personal health information shared with the program only as required by state and federal law.
- Identify program staff members and their job titles.
- Speak with a staff member's supervisor if you ask.
- Speak to a health professional.
- Be fully informed about Gundersen Specialty Pharmacy.
- Be told about changes in or termination of Gundersen Specialty Pharmacy.
- Decline to take part in, cancel consent, or leave this program at any time.

You have the responsibility to:

- Turn in all forms needed to take part in the program as required by law.
- Give correct clinical and contact information. Update program staff if, and when, there are any changes.
- Tell your provider you are taking part in Gundersen Specialty Pharmacy if he or she is not a Gundersen Health System staff member.

Participation in Gundersen Specialty Pharmacy does not take the place of follow up with your other healthcare providers.

GUNDERSEN
HEALTH SYSTEM®

Gundersen Specialty Pharmacy can dispense medicines not offered through normal distribution due to:

- High cost
- Their use in treatment of rare health conditions
- Required special handling and storage
- Extra care, teaching or monitoring needed by patients taking specialty medicines

A team you know and trust

We can easily connect and consult with all Gundersen Health System providers. By working with your care team, our staff will make sure you get correct medicine when you need it in the most cost-effective way.

Count on us to:

- Help you obtain prior authorization(s) as needed.
- Find financial assistance programs.
- Provide the information you need to take your medicine(s) the right way.
- Help you stay on track with your medicine and avoid delayed or missed doses.
- Help you manage side effects and symptoms.
- Answer questions about your medicine or condition.
- Inform you about insurance coverage limits for your medicine.
- Talk with you and your provider if a substitution is needed.
- Advise you promptly of recalls, delays or disasters that might affect your order.
- Work with you to find a source for your specialty medicine if we cannot fill your prescription.
- Help you transfer your prescription to some other pharmacy as needed.
- Keep you up to date on new information, precautions and other changes.

Gundersen Specialty Pharmacy will contact you to:

- Track your progress.
- Arrange delivery of your specialty medicine and supplies.
- Order refills of your specialty medicine before each refill due date.
- Review all medicines you take monthly or based on therapy guidelines.

The limits of this program depend upon you, the patient.

You must be willing to:

- Follow the directions of your provider and pharmacist.
- Take your medicines as directed.
- Talk with your pharmacist about your disease, health history and current health practices.
- If you are not satisfied with any part of our service or choose to use our complaint process, you may request a copy of the Gundersen Health System Patient Rights and Responsibilities brochure. To speak with a patient representative, please call (608) 775-7676 or (800) 362-9567, ext. 57676. To opt out of Gundersen Specialty Pharmacy, call (608) 775-5560.

Call one of the numbers (at right) if:

- Your insurance changes in any way.
- You have a new allergy.
- There is a change in your specialty medicine or any other medicine you take.
- You have a question about order status, side effects or any other concern.
- You need a specialty medicine refill before the refill due date.
 - It may take a few days to order and prepare your refill. If you can, request your refill at least 2 business days before you need it.

Call to transfer your prescription or ask for more information

Our Specialty Pharmacy staff can assist you 24 hours a day, 365 days a year. Call (608) 775-5560 or toll-free (877) 208-1096. A pharmacist is always on call.

To arrange free delivery or pick up your medicine in person

Pharmacy staff will help you arrange monthly overnight delivery at no cost in Wisconsin, Minnesota, Illinois, Iowa, Arizona and Florida. Shipping is tracked to make sure your medicine safely arrives at the address you provide. If you prefer, arrange to pick up your medicine and speak with a pharmacist at any of these locations:
